PERSONAL PROFILE

Target-driven sales professional with over a year of B2B sales at Curve Media and daily dealership experience at BCA, looking to build a career as a Car Sales Executive. I generated my own leads by cold calling and email, discovered client needs and closed premium packages with business owners.

At BCA I deliver and collect vehicles for dealerships, prepare cars to presentation standard and support customer handovers, so I understand the journey from enquiry to handover from the inside. I'm ready to learn the Volkswagen range, finance and insurance products, and Marshall's customer journey.
